One of the things that makes Wadalba Community School such a great place is our active, friendly, school community. We want to make sure every family (especially new ones) have the opportunity to get involved. Volunteering at school is a great way to meet new people, make friends and your kids get a kick out of seeing mum/dad/grandparents or any other special person at school.

We have over 700 families attending Wadalba Community School. More than 40 are new to school this year. We would be extremely grateful if every family could have a think about what they would like from their P&C this year.

With this in mind, you are very welcome to come along to our first meeting of the year for a chat and to share your ideas, thoughts and feedback.

Yours Sincerely,
Brendon Bryant
President P&C
