We had our first meeting of 2016 with 20 people in attendance, and discussed varied topics lasting just 1hr and 40 mins. We welcomed two new parents and caught up with what has been happening at Wadalba.

Being a part of the P&C gives us the opportunity to participate in the interview process of new school staff. As such, we have representatives for the Maths and Science positions at the school that are being recruited.

Our meeting was also attended by Mr. McGrath and he briefed us on some upcoming large scale projects within the school. The P&C discussed the benefits to the school, the students and provided feedback accordingly. We also agreed to consider financially supporting some of these projects once our annual audit has been completed.

Traffic congestion at the Orchid way entrance to the school continues to be a key area that needs more work. It was decided that the P&C would write to the local state government representative pointing out areas that we feel require addressing.

We would love to see you along to our first Wadalba Markets, Sunday 13 March. With our AGM for 2016 set down Wednesday 23rd March, 6 pm staff common room.

Yours Sincerely,

Brendon Bryant
President P&C

Canteen / Uniform

We are investigating installing EFTPOS facilities within the high school canteen for use by students and staff.

I’d like to thank parents that are waiting on uniform orders for their patience as we are having trouble with stock arriving from one of our suppliers. Hopefully this will be rectified shortly.

The swimming caps are available in each house colour and WCS logo are still available for purchase for just $8 from the uniform shop.
Our first ever Wadalba Markets is just two weeks away. We need volunteers to ensure the day is a smashing success for the children and community. Just 1 hour of your time is all we are asking for.

**Cake Stall - Help on stall | Raffle | Community Services | Saturday Setup | Rides & Ticket Booth | Sunday Setup and Breakdown**

By now you would have received a ride pass letter and raffle letter. We thank you for your support so far. A Cake Stall donation letter will be going home shortly. You can help by either baking something or donating items such as cake mixes, muffin mixes and self raising flour that can be used by Cake Diva (Sharleen Creighton) to bake.

Mr Walters, from the CAPA Faculty, has kindly volunteered his time to co-ordinate and deliver a 5hr showcase of student and community talent. Should someone that you know, or you or your child, would like to perform on the day, please contact Katy Bryant – 0412 015 751.

Mr. Drury from agriculture will have the school farm open ready for tours and to provide an insight into what the students (and animals!) get up to at the farm. Be sure to check out new piggery that was built by the students.

If you can volunteer to help on the day, please contact Brendon on 0412 551 678 or email [markets@wadalbacs.com](mailto:markets@wadalbacs.com)

The Markets are fast approaching and we are getting excited!

This is an opportunity to show the community what our creative parents can bake. With your kind donations of a variety of products, the Cake Stall will surely play a major role in the overall success of the day and contribute to our school fundraising (Wadalba Cup Rewards, Presentation Day, and other programmes).

Feel free to contact us for any further information.

 freezes:
If you are short on time, but still would like to contribute, never rule out the idea of baking and then freezing. It’ll still taste great on the day.

labels:
At the bottom of this flyer you will find a label for you to note all ingredients and attach to your donation — this is to comply with health regulations.

boxes:
Presentation boxes will be available from your child’s classroom or the front office for anyone who would like one from 26th February.

drops:
If you do bake an item, drop it off to the school office on Friday 11th March or at the Cake Stall - P&C Hub on Market Day from 10:00AM.
