What is a recount? A recount is a piece of writing about something that has already happened, for example a diary entry or letter or story about a holiday. Through the recounts the students have been writing this term, Mrs Farrelly and Mrs Collins have learnt a lot. We have read about sports, weekend outings, accidents, doctors' visits and family holidays. We have some fantastic readers in our class and are happy about the success of our Guided Reading groups. We are all working to improve our comprehension and reading fluency.

What we love about 2CF

“I like all my friends in 2CF.” - Haylee
“I really like the fun learning we do in Maths.” - Keaton
“We have two nice teachers!” - Chloe
“I like 2CF because we have a Star Tracker reward chart.” - Mackayla
‘2CF is fun because we get to make things and do art.” - Candice
“I like 2CF because I learn lots, like telling the time.” - Tayla
“In 2CF, I like reading groups.” - Daniel
“I like 2CF because the teachers and my friends are nice to me!” - Kristy
‘I like learning in Maths!’ - Caleb

2CF have worked hard this term to develop their skills, knowledge and understanding in Number, Addition and Subtraction, 3D Objects, Multiplication, Data and Time. All students are engaged in the many Maths games we play and especially love to play Buzz. Count Me In Too has already shown to be successful, with the students being ability grouped with 5 different teachers for an hour each Wednesday. 2CF ‘Detectives’ love to solve number problems.

This term we have made Chinese Dragons and paper lanterns for Chinese New Year. We have painted fireworks artworks and have experimented with a variety of paint techniques to create our beautiful book covers. We have sung and presented “We are a rainbow made of children’ for our assembly item and have a number of students in both the School Choir and Dance Group. Every Wednesday we get together with the other K-2 classes for some dancing. Everyone loves having a turn on stage. In-school sport on Fridays has been excellent! Everyone enjoys playing with the awesome equipment and are excited to see what is happening each week.
