We’ve been everywhere man, we’ve been everywhere… We have been to; Japan, America, England, Germany, Italy, France, New Zealand, Chile and India. We have been doing a lot of work also after visiting each country and have found that most of us think that Australia is the best place to live! We also constructed a miniature Eiffel Tower, created our own Italian recipe book AND saw where the Queen lives!

Mitch and Vanessa with their award winning Italian recipe books

Riley and Matt showing off our Eiffel Towers

Natalie, Britney, Gemma and Meghan reading up about other places we could visit in the future!

Sarah and Jasmine checking out where we’ve been!
Wadalba Community School are participating in the NSW Premier’s Sporting Challenge 2010. The Challenge includes a range of initiatives with one common purpose - to have more students, more active, more of the time! The Premier’s Sporting Challenge aims to engage young people in sport and physical activity and encourages them to lead healthy, active lifestyles. Every day we mark off how many minutes of physical activity we have completed each day, and this is tallied up at the end of the week.

We are taking this challenge one step further and challenging ourselves in a range of fitness activities. We are undertaking a range of physical tests each week and monitoring our progress. The activities that we are doing are:

- Beep test
- Agility
- Sit and Reach
- Stand and Jump
- Reflex
- Core muscle strength

Nick and Matt (matt from 5/6A) take the challenge head on and beat their previous level in the beep test with Matt making it to level 10!! HIGH ENOUGH TO GET INTO THE POLICE FORCE...GO MATT!
