This Term, 1C have made lots of progress with their learning. I have been pleased to see lots of improvement with all students in reading, writing, spelling, maths and their ability to contribute thoughtfully to discussion.

We were very excited to perform in the Concert this term. We spent a lot of time choreographing the dance to *You’ve got a friend in me*, from Toy Story and perfecting our moves.

We especially loved dressing up as toys and performing for all our parents on the night.

The students have been talking about *looking on the bright side of life* and being mindful of all the good things. They created a ‘Feel Good’ book.

These are some of the things that they included in the book:

- Playing with my friends feels good. - William
- Love feels good. – Rhiannon
- Kissing my mum feels good. – Ellie
- Having a hug feels good. – Josh
- Mum kissing me on the cheek feels good. – Ryan
- Loving others feels good. - Ashlee
- Caring about people feels good. - Imogen
- Eating ice cream feels good. – Nate
- Seeing my nan and aunty feels good. – Chloe
- Tickling feels good. - Zoran
