Yet again another term has flown past and students in 1D have been so busy!

Our days begin actively as 1D participates in morning fitness rotations 3 times a week. We are becoming very clever at our Fundamental Movement Skills as our 4 groups (Super Jets, Terrific Teamwork, Superstars at Sport and Cheesy Cheetahs) make their way around to each station.

This term we have been studying Procedures and 1D have written a variety of terrific text types as well as participating in some interesting practical activities.
We have made:
- Tic Toc Tea Cups
- Masks
- Chocolate Crackles

We were even lucky enough to observe and practice some amazing Science Experiments in the science labs with Mr Harris. We looked at water in its 3 forms; ice, liquid and steam, made clouds and rain and even observed fire created from Mr Harris' magical hands!
ID have been working very hard in Computers this term. We have produced Word Documents with borders and pictures and typed our own procedures!

Once again we’ve created some beautiful artworks with Mrs Collins including Jelly Fish and Robots.

We have had some terrific interactions with the High School including reading books with Year 7 and Drama with Year 10.
Events
We began the term with our Book Parade in Week 2 and had some very interesting characters in our class! We also finally held our Athletics Carnival which showed off our clever talent on the running track.

This term WCS was lucky enough to have a visit from the Radio Station, Star FM. We had a fun morning in the High School with our farm animals, snow cones, balloons and some boys in our class even spent the day with a French Moustache painted on!
Fathers Day celebrations saw a delicious barbeque breakfast with our Dads and we had lots of special Dads from 1D visit us on that morning.

Even though our busy term was coming to an end, we still managed to squeeze in an amazing visit from the Pet Farm in Week 10. We met ‘Gelato’ and learnt safe practices when around familiar and unfamiliar animals.

Thank you again to all the parents who help us in our busy classroom. Enjoy your much deserved break and I am looking forward to seeing you back for our final term of Year 1!
