WADALBA COMMUNITY HIGH SCHOOL
2016 SCHOOL VACCINATION PROGRAM

in 2016 students in Years 7 & 8 will be offered the following vaccinations:

- Year 7 - Human Papillomavirus (HPV) [3 dose course], Diphtheria/Tetanus/Pertussis (Whooping Cough) and Varicella (Chickenpox) vaccinations.
- Year 8 - HPV dose 2 and/or dose 3 (catch up program for Year 7 students who commenced HPV vaccination at school in 2014 but did not complete).

Your school's clinics have been scheduled as follows:

1st visit: Wednesday 6 & Thursday 7 April
Year 8 - Catchup HPV vaccination
Year 7 - HPV and diphtheria/tetanus/pertussis vaccinations

2nd visit: Wednesday 22 & Thursday 23 June
Year 8 - Catchup HPV vaccination
Year 7 - HPV, chickenpox & catchup diphtheria/tetanus/pertussis vaccinations

3rd visit: Wednesday 9 & Thursday 10 November
Year 8 - Catchup HPV vaccination
Year 7 - HPV & catchup diphtheria/tetanus/pertussis & chickenpox vaccinations

All Year 7 forms and notes will be collected and retained by the immunisation team after the first visit.

For Year 8 students, the immunisation team have retained the 2014 consent forms for those requiring catch up HPV vaccinations. A list will be emailed to you prior to the first school clinic.

All consenting vaccination forms are to be completed and signed (in BLUE or BLACK pen). No vaccine will be given unless there is a signed consent by the parent/guardian.

Withdrawal of Consent: If a parent contacts the school to withdraw consent for the program please follow the protocol accompanying this information. NB: This is only necessary if the parent has previously returned a completed consent form.

If a Year 7 or 8 student is absent on the day of the clinic we will keep the consent form and offer the vaccination/s at the next clinic.

Transfer: For all Year 7 student transfers (in and out) please email Deb Barnes at: Deborah.Barnes1@health.nsw.gov.au. This will allow for transfer of records if needed.

For all enquiries please contact the Central Coast Public Health Unit on 4320 9730 or the school immunisation team on 0416 199 217.
