Term 2 was a whirlwind!! A 9 week term packed with so many things. We started with the Cross Country and the students applied themselves well. Week 3 saw the NAPLAN testing come and go with all of 5M taking part. LMG Sport started the same week and all of the students involved did extremely well, eventually taking out both Senior and Junior divisions in Soccer.

5M were also involved in painting 2 special artworks for the Gosford Regional Art Gallery. The student’s art work was called ‘Living Together’. It consists of two artworks. The top one was of a squirrel glider (WCS logo) in a tree with the night sky behind and it had 11 stars to symbolise our Indigenous students in K - 6. The bottom one was of 3 long neck turtles in a swamp as this land (Wadalba) was swamp land and the long neck turtle was found in this area. The art work showed how land and water animals lived together on this earth in harmony together. The artworks received a commendation and all of the students involved should be very proud of their effort.
Figure 1: 5M students with Indigenous students involved in the artwork.
Congratulations to Chloe Wilson, Aaron Webb-Wilson, Tayla Hall, Sarah Castledine, Mia Crowe, Haylee Kelley, Lachlan Clapham, Caleb Hutchison, Taylor Fisher, Caitlyn Garbutt, Claudia Doeland, Summa-Lee Johnson, Keaton Rennie-Kay, Elizabeth Delaitamana and Candice Lee. These students worked enthusiastically throughout Term 1 and 2 on reconciliation paintings which are proudly hanging on the Gosford Regional Gallery walls until the 14th of July.
5M Artworks
